Every product in the range

App control & multi-way
Control from the switch, the app or a voice assistant — several points can operate the same light.

Wi-Fi + Bluetooth set-up
Pairs over Bluetooth and runs on 2.4 GHz Wi-Fi — no hub needed.

Power-on state
Choose what each gang does after a power cut: off, on, or return to its last state.

Backlight on/off
Touch-key backlight can be turned off in the app for bedrooms.

Timers & schedules
Daily schedules and countdown timers set from the app.

5-year warranty
on every switch, dimmer, curtain switch, power point and module in the range.

SAA approved
certificate number marked on the back of each product.

White or black
PC housing with acrylic front panel.

All products must be installed by a licensed electrician.
